## LOCAL BREVITIES.

There were twelve lodgers at the station house last night.

The frost of last night was the heaviest of the season. A thin skin of ice also formed in exposed places.

The storm of Tuesday caused considerable damage to the harvest and bathhouses at Colonial Beach, on the Potomac river, in Westmoreland county.

A marriage license was issued in Washington yesterday by William L. Mills and Mary E. Hall, of this city, and to Perry H. Carson and Malinda King.

The infant daughter of Capt. P. H. McCaull died a few days ago. Her remains were interred at Wytheville, beside those of another child of Capt. McCaull.

A game of football will be played on Saturday evening on the grounds of the Episcopal High School, near this city, between a team from that school and one from the Druid Hill Athletic Club, of Baltimore.

The only case before the Mayor this morning was that of a man, arrested by Sergeant Smith, charged with being drunk and disorderly and using vulgar language to a lady. He was fined \$5 or given 20 days on the chain gang.

The Washington, Alexandria and Mt. Vernon Railway ticket office at Arlington was again robbed on Tuesday night of a number of tickets. No cash was secured by the thieves, nor has any clue been obtained as to the guilty party.

Judging from the sample of oysters sent to this office to day by Capt. Chas. F. Entwistle, north Columbus street, there has certainly been no deterioration in the quality of the lower Potomac oysters, for better ones, in respect of size, fatness and flavor never came from anywhere.

In Washington last night George Sewell, colored, shot and killed Susan Mahoney, colored. Sewell called on the woman at her home and found her in the company of Isaac L. Brooks, colored. He left the house, but returned in a few moments and shot her. Some men in the neighborhood thought that Brooks was the murderer, and nearly killed him. Sewell was arrested. Brooks is at the Emergency Hospital and will recover.

"Hal," one of the smartest dogs in this city, and the property of Miss Myra Lee Civalier, was paralyzed yesterday, and a last night had to be chloroformed to relieve it of its sufferings. The animal was seventeen years old, a remarkable age for a dog.

The Alexandria Packing Company, for the manufacture of all kinds of smoked and salted meats, sausage, lard and other pork products, has been opened at No. 113 King street, with Mr. J. A. Hoffman as manager.

A grand jury of Allegany county, Md., yesterday indicted the West Virginia Pulp and Paper Company for polluting the waters of the Potomac.

A sneak thief last night entered the hall of the residence of Mr. Park Agnew and stole therefrom a fine overcoat belonging to Mr. Agnew.

Charles Williams, a well known colored cook of this city, last night received an order from Cincinnati for three dozen of his fried oysters.

Yates & Co. will have for sale to-morrow a large lot of fall hats from the Valley, the garden spot. Popular prices.

A case of scarlet fever is reported at No. 207 north Alfred street.

Next Monday will be Halloween.

Remarkable Rescue.

Mrs. Michael Curtin, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her that she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking six bottles, found herself sound and well; now does her own housework, and is as well as she ever was. Free trial bottles of this Great Discovery at E. L. Allen's and E. S. Leander & Sons' Drug Stores. Every bottle guaranteed.

NO CURE—NO PAY.

That is the way all druggists sell GROVE'S TASTELESS CHILL TONIC for Chills and Malaria. It is simply Iron and Quinine in a tasteless form. Children love it. Adults prefer it to bitter nauseating Tonic. Price 50c. Sold by Richard Gibson, corner Alfred and King streets.
